What is the difference between a prophets or prophetic people and witches, warlocks, sorcerers, necromancers, and the like?

- The Power Source – God or Satan
- The Motivation – The Will of God or the will of man
- The Outcome – Life or death
- **Matthew 16:23** – Satan, through Peter, trying to entice Jesus to do the will of man.
- **Luke 22:41 – 42** – Jesus resisting the temptation attached to Him through Satan's temptation.

What is Channeling, and is this a practice that God can redeem for His purposes? Channeling is the spiritual practice of a human being using a familiar spirit to locate a person that has died. Then the dead person enters the body of the human being to speak to the person or persons that requested the dead person.

- **I Samuel 28: 4 – 20** – King Saul intentionally seeks out someone known for conjuring up dead people.
- **Deuteronomy 18:10 – 12** – **ANYONE** who does these things are an abomination to God.
- Channeling is **NOT** a redeemable practice. However, if the person doing it repents, they can be redeemed.

What are soul ties? Soul ties are *actual* spiritual connections within a single person or between a human being and another spiritual being.

- **Ecclesiastes 12:6** – Every living human being has a silver cord that attaches your soul and spirit to your body.
- **Isaiah 5:18** – Our enemy uses chains, cords and ropes to keep curses, sin and iniquity attached to God's people.
- **I Corinthians 6:16** – Anytime a human being has a sexual or even sensual encounter with another human being or a spirit, a soul tie or spiritual connection is formed. Deposits are made into both beings.
- **Matthew 13:25** and **Matthew 13:36 – 39** – Satan sows' spiritual people and spiritual things into people's lives, homes, Churches, businesses, etc. while people sleep.

As you grow prophetically, be very careful to watch out for flattery.

- **II Kings 23:15 – 18** – The Man of God's prophecy is fulfilled.
